11/11/2022 To Whom It May Concern:

This letter is to inform that Jon Payne amended the following order #S211004-01 (CC ID: 2211C4L0004.4929) to add a batch number.

Per AZDHS, if any kind of sample information is altered after the report is issued, then the only way a new report could be valid and defensible would be for the new report to have information of what was changed, date of change, who changed and why. This can be in the information area of the COA.

Below is Jons's official statement received:

Dakota,

I apologize I forgot to add the biotrack batch ID to the COA if you could add it please batch # 2229226981209254 sample S211004-01 Company name is Sugars
